JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Monday - 31 July 1972

1. (Secret - JGO) In a series of conversations with Mr. Ralph Preston, House Appropriations Committee staff, the Director's briefing for Chairman Mahon and his Special Group was changed to Wednesday, 2 August at 10:00 a.m. The meeting will be in Room H-140 of the Capitol Building. [redacted] OCI, has been advised. 25X1

2. (Internal Use Only - JGO) Received a call from Mr. David Martin, Senate Internal Security Subcommittee staff, concerning the Jack Anderson column of 31 July relating to Thai government burning of opium. Mr. Martin asked if we could verify whether any such CIA document as referenced in the Anderson article is in existence. He said he would be glad to send us a letter making it a formal request if that is indicated. I told him that I did not think a letter was necessary but that I would check and be back in touch with him.

3. (Unclassified - JGO) Talked to Miss Victoria Anan, in the office of Representative Seymour Halpern (R., N.Y.), concerning the various requests made to CRS concerning the reference aid titled "Appearances and Activities of Leading Personalities of the People's Republic of China." Miss Anan indicated that the requester, Miss Tai, is a consultant to the office but since the material is available at the Library of Congress she would check Mr. Halpern's desires in the matter and call me back.

4. (Secret - JGO) Talked to Mr. Ralph Preston, House Appropriations Committee staff, and told him that [redacted] D/DCI/IC, is contacting 25X1 Dr. Albert Hall, Assistant Secretary of Defense (Intelligence), to advise him that the Chairman requires a paper on the costs of tactical intelligence activities in the intelligence community. Mr. Preston thanked me for the call back and did not press the issue further.
